

LUXURY HOTEL

Hôtel La Maison Bleue par Yoann Conte

On the shores of Lake Annecy, facing the Alpine peaks, La Maison Bleue stands as a singular address where emotion shapes every moment. Between lake and mountains, this distinctive retreat reveals a rare atmosphere where elegance and sincerity are expressed with precision, in a subtle balance between contemporary spirit and Alpine inspiration. Wood, natural materials and wide openings onto the landscape define rooms and suites conceived as intimate sanctuaries, each extended by balconies offering striking views over the lake. Here, time seems to stand still, inviting guests to slow down and reconnect with what truly matters, through moments of contemplation, wellness experiences and the gentle rhythm of the surrounding nature.

Best Gastronomy: At La Table de Yoann Conte, awarded two Michelin stars, cuisine becomes a language of emotion. Inspired by the chef's Breton roots and Alpine terroir, it unfolds as a dialogue between two regions. Exceptional raw ingredients, respect for nature and precision in cooking give rise to dishes of remarkable intensity, both clear and deeply expressive. Each plate tells a story, guided by a sincere vision where simplicity becomes excellence – a “simplicity” dear to the chef. The wine cellar extends the experience with perfectly balanced pairings, showcasing outstanding vintages carefully selected by Director of Sommellerie Bastien Debono, Best Sommelier of France 2024.
